

設計方向

尊重常豐里深厚歷史文化，令這裡成為氣象清幽、老少咸宜、坊眾相合，一家大小可安心遊樂的好地方。

Design Principle

An intergenerational community place-making project to create and sustain a playful, safe, and ecologically rich urban environment which is both culturally and socially inclusive.

明愛莫張瑞勤社區中心與長春社文化古蹟資源中心聯手策劃「重塑西營盤—公共空間再生計劃」，獲市區更新文物保育及地區活化資助計劃第三期資助支持，2017年6月在西營盤常豐里開展重塑社區空間的工作，促進居民參與，引發想像，凝聚共識，建設社區，再現街道生活，但求營造一個可以重見人情的空間。

Supported by the Urban Renewal Fund, Caritas Mok Cheung Sui Kun Community Centre and Conservancy Association Centre for Heritage (CACHe) jointly presented the "Envisioning Sai Ying Pun: Remaking Public Space Project", with Prof. Hendrik Tieben of CUHK and Prof. Melissa Cate-Christ of PolyU as design consultants. A community design studio named "Magic Lanes" is now opened in situ as the hub for the whole place making process.
